What Can I Expect from My Child's Retreat?

1. Your child will interact with staff that love Jesus and have a heart for serving children and youth.
2. Your child will hear the good news of the Gospel. Our goal is to see all campers come to accept Jesus as their Savior and grow in their relationship with Him.
3. Your child may come into contact with campers that are working through some difficult home/personal issues. We do our best to create a positive environment for growth.
4. Expect that everything may not go perfectly for your child. Campers do not always get along with others or connect immediately with staff members. Spending a weekend together is always a great opportunity for the love and grace of Jesus to shine through in possibly challenging situations.
5. You can expect your child to be loved, cared for, and given every opportunity to have a great experience!
